Transferring benefits into the Haringey Pension Fund

If you have previous pension benefits, you may wish to transfer them into the Haringey Pension Fund. Transfers must usually be made within your first year of LGPS membership in your current employment. To investigate transferring previous benefits please read this booklet and use the form located on the back.

1. Complete the form that is in this booklet. Send Part A and Part B to your **previous pension provider.**

2. Your pension provider will send details directly to you. Send all of them including any discharge forms to The Pensions Team – address/email on page 3.

3. The Pensions Team will send an estimate of the extra service/credit your transfer will buy

- 4 If you wish to go ahead with the transfer, send all the documents we have ticked on the estimate checklist to your previous pension provider.

- 5 When we receive payment from your previous provider, we will send you a notice of the service/pension awarded

What transfers should I use this booklet for?

You should use this booklet to investigate transfers of pension rights from outside the LGPS.

What about previous LGPS membership?

Do not use it for previous LGPS membership, if you have not already told us, please let us know the name of Authority you were employed with.

What about membership of another public sector pension scheme?

The LGPS is part of the Public Sector Transfer Club. Transfers between these schemes provide membership credits of roughly equal lengths.

What are the time limits?

Transfers should be completed within 12 months of you joining the Haringey Pension Fund otherwise you may not be able to transfer or the terms will worsen.

What must I do?

For each previous scheme that you wish to transfer benefits from, ask your previous pension provider for transfer information. To make things easy for you, complete Part A of the form in this booklet and send it with Part B to your previous pension provider.

What happens next?

Your provider will give you a transfer value, details of your benefits and discharge forms.

What do I do with the transfer details?

Send everything to The Pension Team as soon as you receive it. Include the discharge forms, we will not use them to transfer benefits without your permission. Some transfer values have a 3-month guarantee and personal pension values change daily, so you must send us a recent transfer value. If the transfer value has expired, or is not recent, we may ask you for a new value. Your previous provider may charge you for repeat quotes.

What happens next?

We will send you an estimate of years and days of service and the current value of pension that the transfer will provide in the Haringey Pension Fund.

You must then decide whether or not to go ahead. We cannot advise you so you may wish to consult an independent financial adviser.

What if I want the transfer to go ahead?

Read the checklist we will send with your estimate. Complete the relevant forms and send them with the other documents requested to your previous pension provider.

You must send the forms and other documents to your previous pension provider within any guarantee period, if there is one, to take advantage of the guaranteed value.

When the transfer is complete

We will write to you when we receive payment from your previous scheme, confirming completion of the transfer and including a formal notice of the service / pension credit awarded.

Can previous pension rights always be transferred?

In most cases a transfer can be made. The LGPS cannot accept transfers that would not cover the benefits it is required to provide. We will let you know if this applies to you. The LGPS cannot accept pension credits awarded under pension sharing orders.

What if I do not have my previous provider's address?

Write to the Pensions Tracing Service at:

and tell them as much as you can about the previous scheme or provider.

Information you send us will be kept on your record. Your previous scheme will probably send information to you but may send it straight to us. They may also need to contact HMRC. Information will only be used to process your pension benefits.
