## Pensioner Payroll update

### Pensioners pay dates 2026

Your pension with Haringey Pension Fund is paid monthly on the 27<sup>th</sup> of each month. The exception to this is December, when the payment date will be slightly earlier.

If the 27<sup>th</sup> is a Saturday, Sunday or bank holiday, the pension is paid on the working day before.

**Please see exact pay dates on the below link**

### Tax code changes and queries

Your monthly pension counts as taxable income, and HM Revenue and Customs (HMRC) provides us with the tax code to apply to your pension. If you have any questions about the taxation of your pension, please get in touch directly with HMRC.

## Pensioner Payroll update

### Pensioner payslips and P60's

Payslips are issued if your net pay changes by plus or minus £1 in any month.

A payslip is sent to you in April and May so that you can see the effect that pensions increase, and any tax adjustment, have on your pension. This only applies to pensioner members who reside in the UK

To receive monthly payslips, you will need to register for epayslips. To do so, please email [pensions.mailbox@haringey.gov.uk](mailto:pensions.mailbox@haringey.gov.uk) with your full name, national insurance number and pay number.

Your P60 for 25/26 will be posted to you or be available online by 31 May 2026. It is important that you keep this document as it is a record of your pension and tax paid over the last 12 months. The figures provided on the P60 are the gross taxable pension and the tax deducted. Any non-taxable amounts that have been paid are not shown as they are not required by HMRC.

## National Fraud Initiative

Under NFI rules, Haringey Pension Fund provides details of occupational pensioners to the Cabinet Office, in order that they can compare them with information provided by other organisations to ensure that:

- No pensions are being paid to anyone who is deceased.
- Occupational pension income is being declared by anyone who is claiming housing benefit; and
- Anyone who starts work again after their retirement remains eligible to receive their pension.

Any indication of possible fraud is investigated. All data is used in accordance with Data Protection and Human Rights legislation. Any investigation is conducted in accordance with all relevant statutory and professional standards.

Previously, NFI was restricted to the public sector, but private sector organisations and especially private sector pension providers, have been requesting that they be included in future data matching exercises.

**If you become re-employed in local government or in an employment covered by the Local Government Pension Scheme you are required by law to contact the pension section in writing so that we can make sure that you receive the correct pension.**
